St Matthews's boxing club

It is a pleasure to welcome you here to St Matthews boxing club, which is a source of pride and honour to the Ballyfermot community and all who have entered and laced the gloves.

St Matthews's boxing club offers the opportunity for young people in the area to engage in the sport of boxing. We are proud of all our young members from those who have gone to achieve titles and world honours to the ones who have used it as a rite of passage

St Matthews boxing club is steeped in history and we must acknowledge we would not be here today or achieved so much without the determination, commitment and passion of Stephen Maher our founder, coach and known as the club godfather we owe him and a few other great men such as Frank Hinnes, Brian Courtney, Paddy Malone (RIP) and Billy Tyrell (RIP) a debt of gratitude

Those taking part today in this fight night are fully deserving of our up-most respect and should be commended for their courage and bravery as stepping into the ring requires the ultimate of the mind and body.

For all of you who have come to support this fight night we would like to extend a big thanks as events like this ensure we can fund our club and keep the doors open for our next, future champions.

Finally I would like to give a big thanks to Philip Rooney, Patrick Murray, Steven Murray, Paddy Murray, Ken O'Neill Stephen, Piercy, John Brannigan, Arron Monks, and Eric Donovan who give up their own free time to help us keep and develop future emerging talent.

Sincere thanks

Robbie Murray
